

# Famous Cars in Pakistan

## Toyota Corolla 2025

The **Toyota Corolla 2025** continues to be one of the most popular and sought-after sedans in Pakistan, offering a range of variants to cater to diverse customer preferences and budgets. Known for its reliability, fuel efficiency, and modern features, the Corolla remains a top choice for families, professionals, and first-time car buyers. The price range for the 2025 model starts at **PKR 5,969,000** for the base variant and goes up to **PKR 7,549,000** for the top-tier model, with all prices being ex-factory. Each variant is designed to provide a unique blend of performance, comfort, and technology, ensuring there's a Corolla for every type of driver.

## Variants of Toyota Corolla 2025

### 1. Toyota Corolla Altis X Manual 1.6

The base variant, the **Altis X Manual 1.6**, is powered by a **1598 cc petrol engine** paired with a **manual transmission**. Priced at **PKR 5,969,000**, this variant is an excellent entry point for those seeking a reliable and affordable sedan. It comes equipped with essential features such as **2 airbags**, **ABS (Anti-lock Braking System)**, a **9.0-inch infotainment system**, **navigation**, **steering-mounted switches**, and a **rear camera**. These features make it a practical choice for daily commuters and small families. The delivery time for this variant is approximately **1 month**, making it a relatively quick option for buyers.

### 2. Toyota Corolla Altis 1.6 X CVT-i

For those who prefer an automatic transmission, the **Altis 1.6 X CVT-i** is a step up from the base model. It shares the same **1598 cc petrol engine** but is paired with a **CVT-i (Continuously Variable Transmission with Intelligence)**, offering smoother and more efficient driving. Priced at **PKR 6,559,000**, this variant includes the same features as the manual version, such as **2 airbags**, **ABS**, a **9.0-inch infotainment system**, **navigation**, **steering switches**, and a **rear camera**. The

automatic transmission makes it a more convenient option for city driving, especially in heavy traffic conditions.

### 3. Toyota Corolla Altis X CVT-i 1.8

The **Altis X CVT-i 1.8** variant is powered by a larger **1798 cc petrol engine**, providing a more spirited driving experience. Priced at **PKR 6,889,000**, this model includes additional features such as **cruise control** and **DRLs (Daytime Running Lights)**, enhancing both convenience and safety. While it retains the **2 airbags**, **navigation**, and **ABS**, the larger engine and added features make it a more premium option for those who value performance and style. The delivery time remains **1 month**, ensuring a timely purchase.

### 4. Toyota Corolla Altis 1.6 X CVT-i Special Edition

The **Altis 1.6 X CVT-i Special Edition** is a more luxurious variant of the 1.6L model, priced at **PKR 7,189,000**. It comes with additional premium features such as a **sunroof**, **push-start ignition**, **climate control**, and **DRLs**. These features elevate the driving experience, making it a great choice for buyers who want a blend of practicality and luxury. The **1598 cc petrol engine** paired with the **CVT-i transmission** ensures a smooth and efficient ride, while the **1-month delivery time** makes it an attractive option for those looking to upgrade quickly.

### 5. Toyota Corolla Altis Grande X CVT-i 1.8 Beige Interior

The **Altis Grande X CVT-i 1.8 Beige Interior** is one of the top-tier variants, priced at **PKR 7,509,000**. It features the same **1798 cc petrol engine** and **CVT-i transmission** as the other 1.8L models but adds a touch of luxury with its **beige interior**. Additional features include a **sunroof**, **push-start ignition**, **driving modes**, and **climate control**, making it a highly desirable option for those who prioritize comfort and sophistication. The **2 airbags** and **navigation** system ensure safety and convenience, while the **1-month delivery time** ensures a quick turnaround.

### 6. Toyota Corolla Altis Grande X CVT-i 1.8 Black Interior

The **Altis Grande X CVT-i 1.8 Black Interior** is the most premium variant in the lineup, priced at **PKR 7,549,000**. It shares the same features as the Beige Interior model, including the **1798 cc petrol engine**, **CVT-i transmission**, **sunroof**, **push-**

**start ignition, driving modes, and climate control.** However, the **black interior** gives it a more sporty and modern appeal, catering to buyers who prefer a sleek and sophisticated look. With a **1-month delivery time**, this variant is perfect for those who want the best that the Corolla lineup has to offer without a long waiting period.

## Conclusion

The **Toyota Corolla 2025** lineup in Pakistan offers a wide range of options to suit different needs and budgets. From the affordable and practical **Altis X Manual 1.6** to the luxurious and feature-packed **Altis Grande X CVT-i 1.8 Black Interior**, there's a Corolla for everyone. Each variant is designed to deliver reliability, comfort, and modern technology, making the Corolla a perennial favorite among Pakistani car buyers. Whether you're a first-time buyer, a family looking for a spacious sedan, or someone seeking a premium driving experience, the Toyota Corolla 2025 has something to offer. With a consistent **1-month delivery time** across all variants, Toyota ensures that customers can enjoy their new car without unnecessary delays.

## Suzuki Alto 2025

The **Suzuki Alto 2025** continues to be one of the most affordable and popular hatchbacks in Pakistan, offering a range of variants to cater to budget-conscious buyers, first-time car owners, and urban commuters. Known for its compact size, fuel efficiency, and low maintenance costs, the Alto is a practical choice for navigating crowded city streets. The price range for the 2025 model starts at **PKR 2,331,000** for the base variant and goes up to **PKR 3,045,000** for the top-tier model, with all prices being ex-factory. Each variant is designed to provide a balance of functionality, comfort, and modern features, ensuring that there's an Alto for every type of driver.

## Variants of Suzuki Alto 2025

### 1. Suzuki Alto VX

The **Alto VX** is the base variant of the 2025 lineup, priced at **PKR 2,331,000**. It is powered by a **658 cc petrol engine** paired with a **manual transmission**, making it

an ideal choice for those seeking an affordable and fuel-efficient car. Despite being the entry-level model, the VX comes equipped with essential features such as **power door locks, keyless entry, an immobilizer, cup holders, and USB and auxiliary cable connectivity**. These features ensure a basic level of convenience and security for daily commuters. The **1-month delivery time** makes it a quick and accessible option for buyers on a tight budget.

## 2. Suzuki Alto VXR

The **Alto VXR** is a step up from the base model, offering additional features for a slightly higher price of **PKR 2,707,000**. It retains the same **658 cc petrol engine** and **manual transmission** but includes upgrades such as **2 airbags, power steering, power door locks, keyless entry, an immobilizer, an air conditioner, and cup holders**. These additions enhance both safety and comfort, making the VXR a more attractive option for families and individuals who want a bit more from their car without breaking the bank. The **1-month delivery time** ensures that buyers can enjoy their new car without a long wait.

## 3. Suzuki Alto VXR AGS

For those who prefer an automatic transmission, the **Alto VXR AGS** is an excellent choice. Priced at **PKR 2,894,000**, this variant features the same **658 cc petrol engine** but is paired with an **AGS (Auto Gear Shift)** transmission, which combines the convenience of an automatic with the efficiency of a manual. The VXR AGS also includes **2 airbags, ABS (Anti-lock Braking System), power steering, and an air conditioner**, making it a safer and more comfortable option for city driving. The **AGS system** is particularly well-suited for stop-and-go traffic, offering a smoother and more relaxed driving experience. Like the other variants, the delivery time is **1 month**.

## 4. Suzuki Alto VXL AGS

The **Alto VXL AGS** is the top-of-the-line variant in the 2025 lineup, priced at **PKR 3,045,000**. It shares the same **658 cc petrol engine** and **AGS transmission** as the VXR AGS but comes with additional premium features. These include a **6.0-inch display, power windows, power steering, power mirrors, and an air conditioner**. The inclusion of **2 airbags** and **ABS** ensures a high level of safety, while the modern infotainment system adds a touch of sophistication. The VXL AGS is

perfect for buyers who want the most feature-rich version of the Alto, offering a blend of convenience, safety, and style. With a **1-month delivery time**, this variant is an excellent choice for those looking to upgrade to a more premium hatchback without a long waiting period.

## Conclusion

The **Suzuki Alto 2025** lineup in Pakistan offers a variety of options to suit different needs and budgets. From the affordable and practical **Alto VX** to the feature-packed **Alto VXL AGS**, there's an Alto for everyone. Each variant is designed to deliver fuel efficiency, reliability, and modern features, making the Alto a popular choice among Pakistani car buyers. Whether you're a first-time buyer, a student, or someone looking for a compact and economical car for city driving, the Suzuki Alto 2025 has something to offer. With a consistent **1-month delivery time** across all variants, Suzuki ensures that customers can enjoy their new car without unnecessary delays. The Alto's compact size, low running costs, and range of features make it a standout option in the budget hatchback segment.

## Honda City 2025

The **Honda City 2025** remains one of the most popular and well-regarded sedans in Pakistan, offering a perfect blend of style, performance, and advanced features. Known for its reliability, fuel efficiency, and modern design, the Honda City caters to a wide range of buyers, from first-time car owners to families and professionals. The price range for the 2025 model starts at **PKR 4,649,000** for the base variant and goes up to **PKR 5,849,000** for the top-tier model, with all prices being ex-factory. Each variant is designed to provide a unique combination of comfort, safety, and technology, ensuring that there's a Honda City for every type of driver.

## Variants of Honda City 2025

### 1. Honda City 1.2L M/T

The **Honda City 1.2L M/T** is the base variant of the 2025 lineup, priced at **PKR 4,649,000**. It is powered by a **1199 cc petrol engine** paired with a **manual transmission**, making it an excellent choice for those seeking an affordable yet

feature-packed sedan. Despite being the entry-level model, the 1.2L M/T comes equipped with a host of modern features, including **2 airbags, Pedestrian Injury Mitigation Technology, an ECU immobilizer, an outside temperature display, accessory sockets (front and rear), EBD (Electronic Brakeforce Distribution), DRLs (Daytime Running Lights), steering-mounted switches, ABS (Anti-lock Braking System), a 7.0-inch display, and power windows.** These features ensure a comfortable and safe driving experience, making it a practical option for daily commuters and small families. The **1-month delivery time** adds to its appeal, ensuring a quick turnaround for buyers.

## 2. Honda City 1.2L CVT

For those who prefer an automatic transmission, the **Honda City 1.2L CVT** is a step up from the base model. Priced at **PKR 4,689,000**, this variant shares the same **1199 cc petrol engine** but is paired with a **CVT (Continuously Variable Transmission)**, offering smoother and more efficient driving. It includes all the features of the 1.2L M/T, such as **2 airbags, Pedestrian Injury Mitigation Technology, an ECU immobilizer, an outside temperature display, accessory sockets (front and rear), EBD, DRLs, steering switches, ABS, a 7.0-inch display, and power windows.** The CVT transmission makes it an ideal choice for city driving, especially in heavy traffic conditions. With a **1-month delivery time**, this variant is a convenient and accessible option for buyers.

## 3. Honda City 1.5L CVT

The **Honda City 1.5L CVT** is a more powerful variant, featuring a **1497 cc petrol engine** paired with a **CVT transmission**. Priced at **PKR 5,439,000**, this model offers enhanced performance and additional features such as **driving modes** and **cruise control**. It retains all the safety and convenience features of the 1.2L variants, including **2 airbags, Pedestrian Injury Mitigation Technology, an ECU immobilizer, an outside temperature display, accessory sockets (front and rear), EBD, DRLs, steering switches, ABS, a 7.0-inch display, and power windows.** The larger engine and added features make it a more premium option for those who value performance and comfort. The **1-month delivery time** ensures a timely purchase for buyers.

## 4. Honda City 1.5L ASPIRE M/T

The **Honda City 1.5L ASPIRE M/T** is a more feature-rich variant, priced at **PKR 5,649,000**. It is powered by the same **1497 cc petrol engine** but is paired with a **manual transmission**. This variant includes additional premium features such as **front fog lamps, rear AC vents, navigation, push-start ignition, climate control**, and a **9.0-inch display**. It also retains all the safety features of the lower variants, including **2 airbags, Pedestrian Injury Mitigation Technology, an ECU immobilizer, an outside temperature display, accessory sockets (front and rear), EBD, DRLs, steering switches, ABS, and power windows**. The ASPIRE M/T is perfect for buyers who want a more luxurious and tech-savvy driving experience without opting for an automatic transmission. The **1-month delivery time** makes it an attractive option for those looking to upgrade quickly.

## 5. Honda City 1.5L ASPIRE CVT

The **Honda City 1.5L ASPIRE CVT** is the top-of-the-line variant in the 2025 lineup, priced at **PKR 5,849,000**. It features the same **1497 cc petrol engine** paired with a **CVT transmission**, offering a smooth and efficient driving experience. This variant includes all the features of the ASPIRE M/T, such as **front fog lamps, rear AC vents, navigation, push-start ignition, climate control**, and a **9.0-inch display**, along with additional convenience features like **cruise control**. The ASPIRE CVT is designed for buyers who want the ultimate combination of performance, luxury, and technology. With a **1-month delivery time**, this variant is an excellent choice for those seeking a premium sedan without a long waiting period.

## Conclusion

The **Honda City 2025** lineup in Pakistan offers a wide range of options to suit different needs and budgets. From the affordable and practical **1.2L M/T** to the luxurious and feature-packed **1.5L ASPIRE CVT**, there's a Honda City for everyone. Each variant is designed to deliver reliability, comfort, and modern features, making the Honda City a perennial favorite among Pakistani car buyers. Whether you're a first-time buyer, a family looking for a spacious sedan, or someone seeking a premium driving experience, the Honda City 2025 has something to offer. With a consistent **1-month delivery time** across all variants, Honda ensures that customers can enjoy their new car without unnecessary

delays. The Honda City's blend of style, performance, and advanced technology makes it a standout option in the sedan segment.
